

# WBC Membership Application

Any company, partnership, association, agency or individual with an active interest or involvement in the commercial real estate, design and construction industry in National Capital region will benefit from membership in the Washington Building Congress.

## MEMBERSHIP CATEGORIES

**Company \$1,000** - Includes two representatives who receive all membership publications and benefits, and who are listed in the *Industry Index* printed and online membership directories. A company listing and 25-word description are also included in the *Industry Index*, as well as up to 15 classified listings.

**Additional Representatives \$100 for up to five** - *(with paid company membership only)* Add up to five additional representatives who will receive all membership publications and benefits, as well as a listing in the membership directories. There is no limit to the number of additional representatives a company can add (i.e., \$100 up to five, \$200 up to ten, etc.).

**Small Business \$500** - Certified small businesses and individuals can join the association under this classification and receive all of the benefits of a full company member. The association is actively seeking increased participation from this sector of the industry.

**Government/Institution \$100** - Any person employed by a government agency or holding a position in an institution, university or trade association. Individuals receive all membership publications and benefits, as well as a listing in both membership directories.

**Emeritus/Retired \$50** - For individuals who have officially retired and would like to continue to be part of the association and active in the industry. These individuals receive all membership publications and benefits, as well as an individual listing in both directories.
