Steve Kenton, skenton@wbcnet.org

[Or make a donation HERE!](#)

LET'S LEND A HAND.

COLLECT IN APRIL, DELIVER TO CAFB MAY 4TH - MAY 8TH.

Last year we collected 30,000+ pounds of food and considerable financial contributions. CAFB turned these donations into more than 26,000 meals for DMV neighbors. **We're aiming to deliver in an even bigger way in 2022!**

While last year's efforts were impactful, our region still faces food insecurity and there continue to be people who rely on the generosity of teams like yours.

Our goal is **50,000 pounds** of food, but we're going to need more help to get there!

Add your company to the list of firms committed to making an impact:

REGISTER TODAY!

Let WBC know you're joining the cause and we'll get you the materials to coordinate collection drop-off details with your team.
